

Welcome to SUMMER, 2021

Who knew ...

The last time we met in March 2020, and put a hold on dancing because of Covid, I know I thought it would be a couple of months until we could meet again. And here we are, 1 year and 4 months later, and we're finally meeting again, our first dance on Tuesday, July 13, 2021.

We have permanently lost two of our members during this long break: Joe Boehm from Covid and Bill Grossius from cancer. They both will be missed.

Welcome back to all who are willing and able to join us after this long pause.

Let's keep Dancing !!!
